

# Francisco Javier Dianderas Cáceres

Partner & General Manager

Gender: Male

Year of Birth: 1971

## Professional Experience

Partner and General Manager of HMC SAFI since 2019.

Francisco joined HMC Capital Peru in 2011. Previously he worked for Larrain Vial Peru since 2006, where he was Chief Operations Officer. During his tenure at LV, the firm managed to be authorized by local regulators and to start operations within the Peruvian Capital Markets.

Mr. Dianderas was also involved on structuring several close end funds which raised money from Peruvian Institutional Investors. The focus and strategy of the funds structured were Private Equity, Real Estate, High Yield Fixed Income, Small Cap Equities and Exchange Traded Funds.

He previously worked for the Peruvian Securities and Exchange Commission where he was involved in the structuring of products that allowed offshore junior mining companies to trade in the local market and allow investors to buy call options and short securities.

## Academic Background

Mr. Dianderas B.A. in Economics from Universidad Catolica Santa Maria and an MBA from Pontificia Universidad Catolica de Chile.
